Doesn't mean I lost at boxing...
Just because I lost to you...
It's been a long time since I was able to go all out like that...
I'm completely satisfied.
I'm the captain of the boxing club and you're just a dabbler...
Yet somehow you did...
There's no way you could have beaten me...
You knew ...?
Right, Susa...?
And anyone who could beat me is no ordinary guy.
YOU'RE SOMETHING MORE THAN HUMAN!

Susa, that power of yours...
Don't be reckless with it now; that'd only bring disaster on all our asses.
Thanks!

Hey!
How did tha pra-paration goz
Tell Me.
Mornin'!
Yadda yadda yadda
Chatter chatter

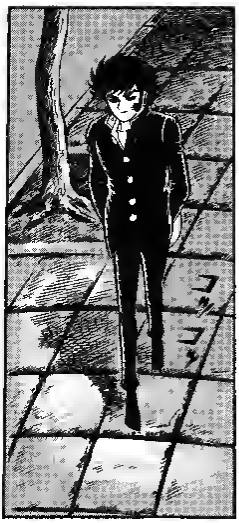
KYAAA

Weird. There's no wind at all.
A whirl-wind...?
That's just awful.
It's nice to see you're in high spirits.
Yeah.
Thankfully, my sore muscles have sub-sided...
I'm about fully re-covered...
Mornin' Boss!
After ya whipped Goda, your popularity has gone through the roof!

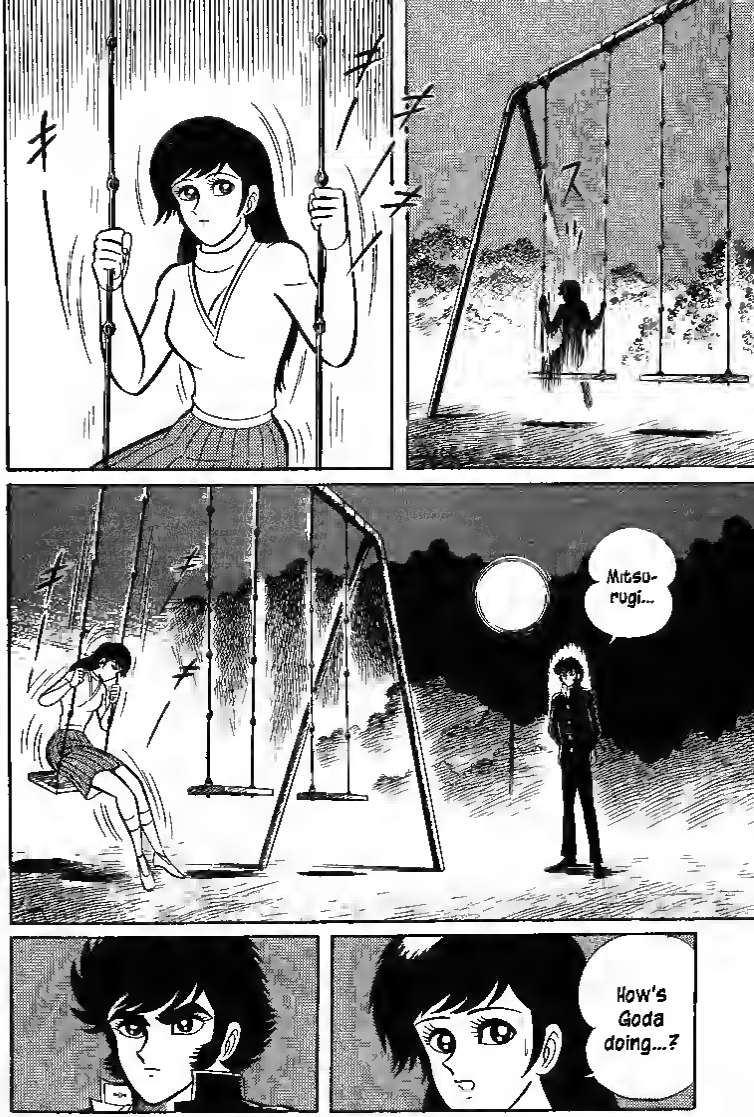
The Club Federation isn't quite done with you just yet.
But be on the lookout.
Heh ...
That's the Boss for ya
You're one tough cookie!
By the way, Goss Uryuu wants to speak with ya.
Uryuu ...?
Are you still hanging out with that guy...?
I'd stay away if I were you. There's something real fishy about him.
Psychic powers...? What are you talking about?
Anyway, it appears he wants to talk to ya about your psychic powers...
Yeah, whatever you say. Hee hee hee.

If I had such powers, I would have ended the match a lot sooner...
Non-sense...
Boss Uryuu said he saw you using psychic powers to win the boxing match against Goda...
Of course not, idiot...
I don't believe ya have any such power either...
I think so, too.
If I had that kind of power, all my troubles would be over!
In any case, I'm not meeting up with Uryuu..
When he told me you had used psychic powers, I thought it was kinda weird myself.
Besides, Boss Uryuu tends to make everything about psychic powers.

Hey, what's up? Any developments since?
I'm not interested...
in psychic powers whatsoever...
Yeah...
I just thought I'd tell ya...
I haven't heard a peep out of the Club Federation.
I see...
Still, they won't be satisfied with this.
The Chairmen of the Club Federation is seriously scary...
By the way, your powers haven't been wearing off have they...?
No... rather they've only gotten much sharper...
I'm gradually getting to where I can freely control them.
...



SHIN!
キーキー



Mitsu-
rugi...
How's
Goda
doing...?

Albeit not all of them...
That fight roused your psychic powers...
Your psychic punch impacted his whole body...
It's going to take a while before he's back at full strength...
I have no idea...
Who knows...
How do you intend to use your powers...?
Should you choose to use your powers to commit crime, there is no man on Earth who can punish you!
Your power transcends humanity, so I don't want you to misuse it...

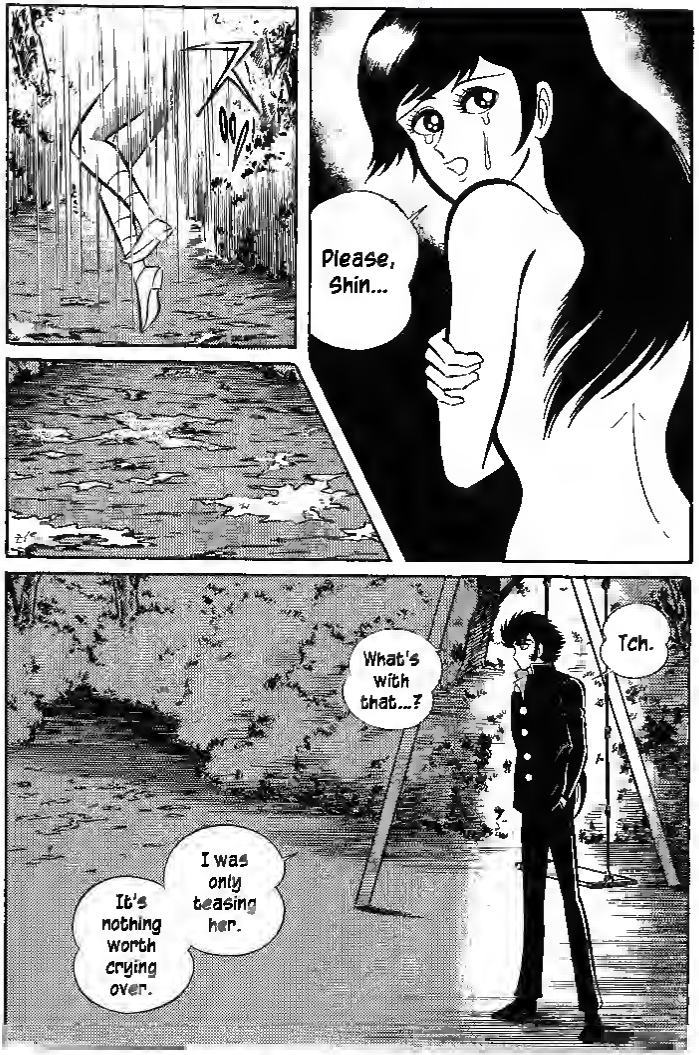
There's no policing of telekinetic murder...
For example, if you were to use your telekinesis for murder, there would be no proof that you did it. The law will not be able to touch you...
And there's no way of revealing the truth...
No one can control me...
You're absolutely right.
You sure raise some interesting points...
He he he...
Do you understand, Shin!?
For that reason...
FOR THAT REASON, I DON'T WANT YOU TO MISUSE YOUR POWER.

He he he...
Good or evil?
The law doesn't mean much to me.
Perhaps, but I'm still just a kid. I hardly know the difference between what's right and what's wrong.
Let's try some-thing out!
Huh?
W-WHAT ARE YOU DOING...?

He he ...

How's this for an example; is it good or evil...?
He he he

SHIN, STOP!
YOU SHOULDN'T DO THESE THINGS!
!?



Please, Shin...
Tch.
What's with that...?
I was only teasing her.
It's nothing worth crying over.

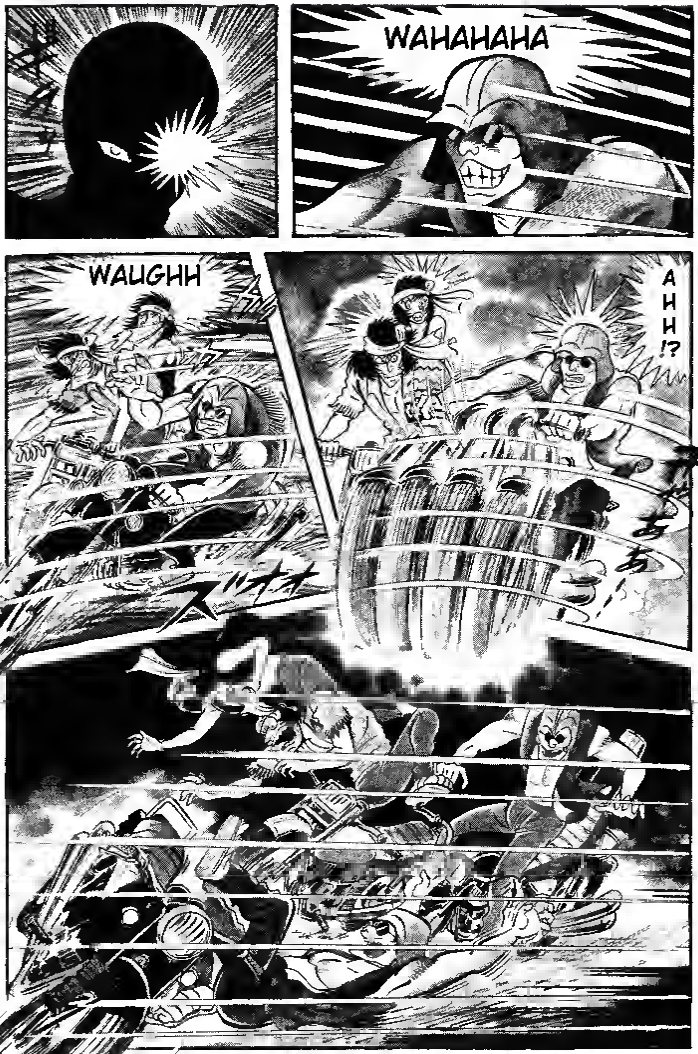
I'm no longer in the club.
What's she following me around for and getting in my business, anyway?
She's nothing but trouble.
Screw her...

Boss, have ya heard about Nosferatu's biker gang?
Apparently, the biker gang that runs through the streets of this town is totally under the control of Nosferatu.

On Saturday night, they're supposedly gathering in Y Park to initiate their rampage throughout the town.

YAHAHAHA
NO WAY! NOT WITH THAT HUNKA-JUNK!!
WA HA HA
FUCK YEAH!
RYUSUKE, CAN'T YOU GO ANY FASTER!?
I'LL SHOW YOU, DICK-WAD!
Some say they always come in hordes!
There's no telling just how many of them are; a thousand, maybe two

You ought to stay away from them too, Boss.
The police are afraid of them so they won't even dare mess with them.
HUH !!
THE FUCK !?
Someone's standing in the middle of the road!!
HIT THE THROTTLE AND RUN THAT SON OF A BITCH DOWN!!
ズオォ!
-OOKAY



WAHAHAHA
WAUGHH
AHH!?
ああ!!

Uhh...
ACK!
I have questions and I want answers!!
WHAT'S THE LOT OF YOU GATHER-ING HERE FOR!?
WHAT'S YOUR CON-NECTION TO NOS-FERATU!?
GGH...

Heh heh ...
NOS-FERA-TU!?

WHAT IS NOSFERATU UP TO ORGA-NIZING THIS EVENT!?
